You have until 11/23/2016 to ship your device.

If you send your device after the expiration date we cannot honor your initial offer.

We will not accept devices that have been reported lost or stolen.

"Find my iPhone" must be turned off This feature locks your device and will delay or reduce payment.

How to deactivate:

- 1: Tap the "settings" icon on your homescreen.
- 2: Tap iCloud from the settings menu.
- 3: If "Find My iPhone" is on, tap the slider to turn it off.

- For watches and phones: do not include the original package. It has no impact on your payment.
- The usage of small size boxes or envelopes is highly encouraged.

Shipping label & checklist

Detach and stick the shipping label below to the outside of your box.

BEFORE YOU SEND IT...

Unlock your device

Make sure you have turned off any password protection from your device so we can test it. Leaving it locked could delay payment.

Save your data

Save your photos and files. If your device has an SD card, donot forget to remove it. We will erase all the information from your device..

Turn off device tracking

Leaving this on will lock your device and delay or reduce your payment.

Send just your device

Please do not send in any extra items that you did not submit online. We cannot pay you for additional items.

Remove your SIM card

It is very important that you remove the SIM card before sending your device. This will deactivate it from any existing service accounts.

Deactivate your service

It is very important that you contact your carrier to terminate service on the device and pay any remaining balance on your bill
